

Dear Patrons, Friends, and Supporters of Northpoint Cooperative Preschool:

We are excited to announce that our annual auction will be held on March 9, 2024, at the Ruston Waterfront Market. Our goal this year is to reach a total of 180 attendees including patrons, staff, friends & family.

Northpoint Cooperative Preschool has served families in the Northeast Tacoma & Federal since 1960. Northpoint's success is attributed to the thoughtful and generous members of our community.

Our curriculum provides a safe, thoughtful, and creative learning environment for children from infants through to 5-year-olds, including those who are differently abled. Currently, the co-op is home to over 65 families and is still supported by pillars of the community who graduated decades ago!

While Northpoint has had various locations over 50 years the school has been in service, we have been at our current location since 1994. Thanks to the generous donations, grants, and support of our community the building was purchased in 2003. The building was placed on the Historical Registry by the N.E. Historical Society but due to its age needs continued maintenance as time goes on.

Families, teachers, and the community as a whole work diligently to reduce costs of the buildings preservation by devoting time and effort to its upkeep. The annual auction is the cornerstone of the schools' continued success and provides the financial support needed to maintain the buildings infrastructure. The annual event provides an average of \$30,000 in funds to help support our school.

As the facilitators of this event, we strive to make it a memorable experience for all our attendees. Any degree of support you can provide will go to the conservation of our historic building and to the tradition of keeping tuition accessible to more families every year.

Our tax-id is: 91-0926839

**Location for mailing donations will be provided upon request.**

Sincerely,

Kristen Guild, Auction Co-Chair (206-349-1785)  
Amanda Ireton, Auction Co-Chair (917-991-9209)
